#### **About Women of Achievement**

In 1955, the St. Louis-Globe Democrat newspaper created an awards program that became known as the Women of Achievement Award, to recognize and honor the achievements of women who, through their volunteer efforts, have demonstrated their dedication and commitment to improving the quality of life in the St. Louis community. The St. Louis Women of Achievement organization, a 501c3, not-for-profit organization, was established in 1993 by former Women of Achievement who wanted to ensure the longevity of the award for future generations of St. Louis area women. The organization's Board of Directors, comprised of past recipients of the award, continue to plan and implement the nomination, selection and award presentation process ensuring that this award will continue to enhance and honor the women volunteers in the St. Louis metropolitan region who positively impact the community, for many years to come.
